

## Morimoto, Oh So Close In Napa

*NAPA* - There's [been](#) a good deal of [drama](#) leading up to Morimoto's first restaurant opening on the West Coast. [And now, Signore Lucchesi steps forth with news that the lovably idiosyncratic Iron Chef may be opening Morimoto Napa as early as next week.](#) So it's officially safe to think about the projected foot-long swath-of-bone marrow appetizer and Japan-imported sushi in Wine Country as imminent reality, although that [on-site beer brewery we mentioned](#) is still waiting for a permit.
