Best U.S. Restaurant Openings

Iconic chefs are opening glam new satellites, and grilled-cheese champs and barbecue geniuses are launching funky little spots.

Napa: Morimoto

© Hopper Stone

Downtown Napa's revitalized riverfront is home to Iron Chef Masaharu Morimoto's latest outpost. The surprise hit on the Tokyo-in-California menu is the tuna pizza—a crisp corn tortilla topped with tuna sashimi, anchovy aioli and pickled jalapeño. There are plenty of local wines and imported sakes, plus beers like Morimoto's own Soba Ale, from Oregon's Rogue Brewery.
